

2024

YEAR IN REVIEW

Project Renewal helps New Yorkers break the cycle of homelessness through innovative housing, comprehensive health care, and robust employment programs. In 2024 we served nearly 8,000 people, helping them reach their goals for stability and wellbeing.

Homes

Almost **4,000** people sleep in a **Project Renewal bed** each night

2387 in **specialized** shelters

273 in **transitional** housing

941 in **permanent** housing

100%

of individuals who moved into their **own homes** stayed out of the shelter system for **at least one year**

Health

6,320 people received **medical care, substance use disorder treatment, or psychiatric services** through Project Renewal health programs

Nearly 70% of patients returned to see their Project Renewal healthcare provider at least **2 times**, averaging **4.3 visits per year** to our mobile and shelter-based clinics

2,352 people participated in **Occupational Therapy (OT) programs**, building everyday skills for **living independently** while **thriving** in their communities

More than 85% of **HOPE (Helping Older People Engage)** clients are frequent program participants, **engaging with an OT program 3 or more times** per month

To help keep their peers and community members safe, **1,783 individuals** received **Narcan training** to reverse an overdose
